

Boardmaker® Community

The place where more than 200,000 board makers come to share learning activities, choose from over 26,000 free symbol-adapted activities, and find education standards aligned instruction!

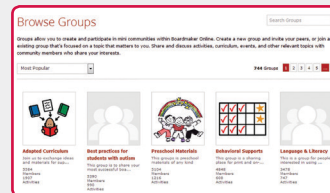

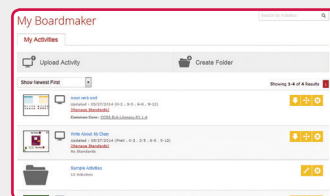

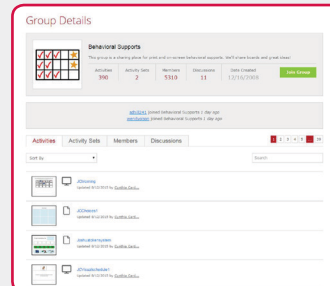

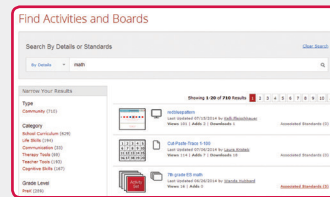

Top 5 Reasons to Join Boardmaker Community

- 1 It's FREE!
 - 2 Connect with over 200,000 board makers, just like yourself.
 - 3 Find activities already aligned to the education standards.
 - 4 Create or join public and private groups.
 - 5 Store your own activities privately... access them from anywhere.
- ✓ Want more information? Visit www.boardmakeronline.com for a complete list of features and benefits.

On Boardmaker Community, share and explore interactive and print materials that provide behavior supports and promote student independence as well as skill development ...the best part, it's all FREE!

Quickly find amazing activities on the Boardmaker Community, and spend your time where it's needed most, with your students!

- 1 Find**
Find adapted curriculum, visual schedules, communication boards, education standards aligned activities, and other supports that have been developed and used by others just like you.
- 2 Share**
Upload boards you have created, participate in discussions, establish public groups for coordinating trainings, and so much more!
- 3 Use**
Store your boards online and access them from any computer.
- 4 Connect**
Connect with others who are teaching the same subject or grade level, talk with parents facing the same challenges as you, discuss solutions you have created, and more!
