Introducing, Boardmaker Book Bridge...a curriculum to help students with special educational needs meet modern academic standards for reading, writing, and vocabulary development through grade-level literature.

A Proven Instructional Method

Boardmaker Book Bridge follows the proven **Anchor-Read-Apply** comprehension strategy.

- **Anchor** activities activate student knowledge and enable them to make connections with the text.
- **Reading** for a distinct purpose helps students to engage deeply and with comprehension.
- **Apply** activities allow students to formalize the connections that students make with a text and create the foundation for meaningful learning.
